H - we should all discuss so you are covered but you also have to be conscious of the moving parts and operating budgets and we have to pay a team of people who will be working 100 hours a week so we generate enough profits so we are distributing \$10s of MM out to the owners.

I will be circulating the Terms for Oneida later today. In that I have included an additional payment to you and I as sitting on the board of SinoHawk.

We can all discuss.

Final word on this (from me). I have been the only one asked to give up all other active commercial interests- no consulting fees no promoting another business no continuing to work on existing projects etc...so I have to admit I do expect that if I can't keep my toe in other things I will need a hell of a lot more than 850 p/y on a monthly basis. And this is my own personal problem but ill make it yours also I'm sure (HA) -\$2M to me means \$1M before taxes the other half goes to her- 850 to me means 100K to me - she has a 750 floor. That does not include all the debt I assumed and not one dime for the girls (twelve league school living expenses and the most expensive high school in DC.

As I had already alluded we have discussed and agreed the following remuneration packages

Chair / Vice Chair depending on agreement with CEFC ( Hunter ) 850  
CEO ( Tony ) 850  
James ( EEIG ) international consultancy agreement business development (James) 500,000  
Rob 500  
Jim Unknown  
Sanan ( Under EEIG agreement ) 72,000

Hunter has some office expectations he will elaborate  
James needs travel of 15,000 k a month ( 180,000 PA )

AS for roles I will continue with the International development in Oman, France, Belgium, Luxembourg act

We have found a UAE bank they want, Azerbaijan and Colombia, bringing expertise in for infrastructure programmes and relations with the big consultants for US

IN 2008 I had 80 bn of deliverable programmes under management in UAE

Personally I have already spent a large amount on this and I'm not in for the weekly pay, but as we have been shorted on the agreed package  
I feel this is right and reasonable

I am happy to raise any detail with Zang if there is shortfalls ?

At the moment there is a provisional agreement that the equity will be distributed as follows

20 H  
20 RW  
20JG  
20 TB  
10 Jim

10 held by H for the big guy ?

Any comments or disagreement lets table now ?

apologies for typos cant see shit
